Re: KTVT-DT Fort Worth/Dallas TX
Retransmission Consent Election

Ladies and Gentlemen:

Pursuant to Section 76.64 of the FCC rules, this is to notify you that **KTVT-DT, FORT WORTH/DALLAS TX** ("Station"), assigned to the Dallas/Fort Worth DMA, elects the retransmission consent option with respect to carriage of Station's signal on your cable system whose head-end is located in **Dallas/Fort Worth, Texas** for the 2012-2014 election period.

This will not affect the continued carriage of Station's signals by your system as to any part of the relevant period for which an existing retransmission agreement is already in effect. If there is no such existing agreement beyond December 31, 2011, then it will be necessary for your system to obtain our express approval in order to retransmit **KTVT-DT's** signal after 12:01 AM on January 1, 2012 (or after the expiration date of any existing agreement).

Please be assured that we look forward to continuing our relationship on mutually satisfactory terms and providing great programming for our shared viewers to enjoy.

Sincerely,

Gary W. Schneider
President & General Manager

Re: KTVT-DT, Fort Worth/Dallas, Texas
Retransmission Consent

NB: This agreement does not grant Operator the right to carry Station's signal in high definition format. If you are interested in negotiating for consent to carry our signal in both standard definition and high definition formats, please contact us at retransconsent@cbs.com.

Dear General Manager:

This is in regard to retransmission consent to carry the signal of KTVT-DT, FORT WORTH/DALLAS TX ("Station") on a system operated by USDTV ("Operator") with its headend located at Dallas/Fort Worth, Texas ("System").

The terms of this agreement should be treated as confidential and should not be disclosed to any third-parties or the public.

Effective January 1, 2012, this letter grants retransmission consent to carry the Station's signal **in a standard definition format only (which may be transmitted to subscribers in either down-converted analog format or standard definition digital format)**, for an indefinite period expiring no later than 12:00 midnight on December 31, 2014, subject to the following terms: (i) Station's signal appears to the viewer on the channel on which its analog signal was carried prior to the final transition to digital television on June 12, 2009, or another channel on which we mutually agree; (ii) Operator carries the Station's signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by System in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Operator transmits Station's signal in such format or formats as may be necessary to ensure that all programming included in such signal is viewable by all of its subscribers, or deploys set top boxes as necessary to so ensure; (v) Operator passes through all "program related material," as defined below, to all of its subscribers; (vi) System serves subscribers residing in the **Dallas/Fort Worth DMA**; and (vii) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice. For purposes of this letter,

“program related materials” shall include (a) closed-captioning information, (b) program identification codes, (c) program ratings information, (d) such other material as may be essential, necessary or appropriate for the delivery or distribution of the Signal, and (e) information and material of a commercial or non-commercial nature that is directly related to the subject matter of the programs broadcast by the Station or specific commercial advertisements contained in the applicable Station’s broadcast program schedule, if such information or material is transmitted concurrently or substantially concurrently with its associated program content or commercial advertisement; provided, however, that “program related material” shall not include, and Broadcaster shall obtain Operator’s consent before providing, any information or material for which Broadcaster, or any Station receives or seeks a fee from Operator, a System, or any Operator subscriber.

Operator shall down convert the 16:9 high definition image by taking the “center cut” to create a 4:3 standard definition or analog image. Please refer to the illustration below.

This letter does not grant Operator retransmission consent to carry the Station’s signal in any high definition or 16:9 format under any circumstances. If you would like to negotiate for consent to carry our signal in both standard definition and high definition format, please contact us at retransconsent@cbs.com.

By accepting this retransmission consent, and carrying Station's signal, Operator (1) agrees to the above terms and (2) acknowledges and agrees that the copyrights to and for the underlying programs and program material are not hereby conveyed, and that it will ensure that its retransmission of all copyrighted material included in Station's signal is appropriately licensed under the copyright laws of the United States, whether under compulsory license pursuant to 17 U.S.C. § 111, or otherwise.

Operator agrees to indemnify and hold harmless CBS Corporation, and its present or past parent and affiliated entities, and their stockholders, officers, directors, employees, and agents from any and all claims, actions, losses, damages, or expenses (including reasonable counsel fees) resulting from its breach of the above warranty.

Sincerely,

A handwritten signature in dark ink, appearing to read "G. Schneider", written in a cursive style.

Retransmission Consent

NB: This agreement does not grant Operator the right to carry Station's signal in high definition format. If you are interested in negotiating for consent to carry our signal in both standard definition and high definition formats, please contact us at retransconsent@cbs.com.

Dear General Manager:

This is in regard to retransmission consent to carry the signal of KTVT-DT, FORT WORTH/DALLAS TX ("Station") on a system operated by United Satellite America ("Operator") with its headend located at Bridgeport Apartments, Texas ("System").

The terms of this agreement should be treated as confidential and should not be disclosed to any third-parties or the public.

Effective January 1, 2012, this letter grants retransmission consent to carry the Station's signal in a standard definition format only (which may be transmitted to subscribers in either down-converted analog format or standard definition digital format), for an indefinite period expiring no later than 12:00 midnight on December 31, 2014, subject to the following terms: (i) Station's signal appears to the viewer on the channel on which its analog signal was carried prior to the final transition to digital television on June 12, 2009, or another channel on which we mutually agree; (ii) Operator carries the Station's signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by System in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Operator transmits Station's signal in such format or formats as may be necessary to ensure that all programming included in such signal is viewable by all of its subscribers, or deploys set top boxes as necessary to so ensure; (v) Operator passes through all "program related material," as defined below, to all of its subscribers; (vi) System serves subscribers residing in the **Dallas/Fort Worth DMA**; and (vii) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice. For purposes of this letter,

“program related materials” shall include (a) closed-captioning information, (b) program identification codes, (c) program ratings information, (d) such other material as may be essential, necessary or appropriate for the delivery or distribution of the Signal, and (e) information and material of a commercial or non-commercial nature that is directly related to the subject matter of the programs broadcast by the Station or specific commercial advertisements contained in the applicable Station’s broadcast program schedule, if such information or material is transmitted concurrently or substantially concurrently with its associated program content or commercial advertisement; provided, however, that “program related material” shall not include, and Broadcaster shall obtain Operator’s consent before providing, any information or material for which Broadcaster, or any Station receives or seeks a fee from Operator, a System, or any Operator subscriber.

Operator shall down convert the 16:9 high definition image by taking the “center cut” to create a 4:3 standard definition or analog image. Please refer to the illustration below.

This letter does not grant Operator retransmission consent to carry the Station’s signal in any high definition or 16:9 format under any circumstances. If you would like to negotiate for consent to carry our signal in both standard definition and high definition format, please contact us at retransconsent@cbs.com.

By accepting this retransmission consent, and carrying Station's signal, Operator (1) agrees to the above terms and (2) acknowledges and agrees that the copyrights to and for the underlying programs and program material are not hereby conveyed, and that it will ensure that its retransmission of all copyrighted material included in Station's signal is appropriately licensed under the copyright laws of the United States, whether under compulsory license pursuant to 17 U.S.C. § 111, or otherwise.

Operator agrees to indemnify and hold harmless CBS Corporation, and its present or past parent and affiliated entities, and their stockholders, officers, directors, employees, and agents from any and all claims, actions, losses, damages, or expenses (including reasonable counsel fees) resulting from its breach of the above warranty.

Retransmission Consent

NB: This agreement does not grant Operator the right to carry Station's signal in high definition format. If you are interested in negotiating for consent to carry our signal in both standard definition and high definition formats, please contact us at retransconsent@cbs.com.

Dear General Manager:

This is in regard to retransmission consent to carry the signal of KTVT-DT, FORT WORTH/DALLAS TX ("Station") on a system operated by United Satellite America ("Operator") with its headend located at Beacon Hill Apartments, Texas ("System").

The terms of this agreement should be treated as confidential and should not be disclosed to any third-parties or the public.

Effective January 1, 2012, this letter grants retransmission consent to carry the Station's signal **in a standard definition format only (which may be transmitted to subscribers in either down-converted analog format or standard definition digital format)**, for an indefinite period expiring no later than 12:00 midnight on December 31, 2014, subject to the following terms: (i) Station's signal appears to the viewer on the channel on which its analog signal was carried prior to the final transition to digital television on June 12, 2009, or another channel on which we mutually agree; (ii) Operator carries the Station's signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by System in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Operator transmits Station's signal in such format or formats as may be necessary to ensure that all programming included in such signal is viewable by all of its subscribers, or deploys set top boxes as necessary to so ensure; (v) Operator passes through all "program related material," as defined below, to all of its subscribers; (vi) System serves subscribers residing in the **Dallas/Fort Worth DMA**; and (vii) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice. For purposes of this letter,

“program related materials” shall include (a) closed-captioning information, (b) program identification codes, (c) program ratings information, (d) such other material as may be essential, necessary or appropriate for the delivery or distribution of the Signal, and (e) information and material of a commercial or non-commercial nature that is directly related to the subject matter of the programs broadcast by the Station or specific commercial advertisements contained in the applicable Station’s broadcast program schedule, if such information or material is transmitted concurrently or substantially concurrently with its associated program content or commercial advertisement; provided, however, that “program related material” shall not include, and Broadcaster shall obtain Operator’s consent before providing, any information or material for which Broadcaster, or any Station receives or seeks a fee from Operator, a System, or any Operator subscriber.

Operator shall down convert the 16:9 high definition image by taking the “center cut” to create a 4:3 standard definition or analog image. Please refer to the illustration below.

This letter does not grant Operator retransmission consent to carry the Station’s signal in any high definition or 16:9 format under any circumstances. If you would like to negotiate for consent to carry our signal in both standard definition and high definition format, please contact us at retransconsent@cbs.com.

By accepting this retransmission consent, and carrying Station's signal, Operator (1) agrees to the above terms and (2) acknowledges and agrees that the copyrights to and for the underlying programs and program material are not hereby conveyed, and that it will ensure that its retransmission of all copyrighted material included in Station's signal is appropriately licensed under the copyright laws of the United States, whether under compulsory license pursuant to 17 U.S.C. § 111, or otherwise.

Operator agrees to indemnify and hold harmless CBS Corporation, and its present or past parent and affiliated entities, and their stockholders, officers, directors, employees, and agents from any and all claims, actions, losses, damages, or expenses (including reasonable counsel fees) resulting from its breach of the above warranty.

Sincerely,

Re: KTVT-DT Fort Worth/Dallas TX
Retransmission Consent Election

Ladies and Gentlemen:

Pursuant to Section 76.64 of the FCC rules, this is to notify you that **KTVT-DT, FORT WORTH/DALLAS TX** ("Station"), assigned to the Dallas/Fort Worth DMA, elects the retransmission consent option with respect to carriage of Station's signal on your cable system whose head-end is located in **Arlington, Texas** for the 2012-2014 election period.

This will not affect the continued carriage of Station's signals by your system as to any part of the relevant period for which an existing retransmission agreement is already in effect. If there is no such existing agreement beyond December 31, 2011, then it will be necessary for your system to obtain our express approval in order to retransmit **KTVT-DT's** signal after 12:01 AM on January 1, 2012 (or after the expiration date of any existing agreement).

Please be assured that we look forward to continuing our relationship on mutually satisfactory terms and providing great programming for our shared viewers to enjoy.

Sincerely,

Gary W. Schneider

Retransmission Consent

NB: This agreement does not grant Operator the right to carry Station's signal in high definition format. If you are interested in negotiating for consent to carry our signal in both standard definition and high definition formats, please contact us at retransconsent@cbs.com.

Dear **General Manager:**

This is in regard to retransmission consent to carry the signal of KTVT-DT, FORT WORTH/DALLAS TX ("Station") on a system operated by United Satellite America ("Operator") with its headend located at Arlington, Texas ("System").

The terms of this agreement should be treated as confidential and should not be disclosed to any third-parties or the public.

Effective January 1, 2012, this letter grants retransmission consent to carry the Station's signal **in a standard definition format only (which may be transmitted to subscribers in either down-converted analog format or standard definition digital format)**, for an indefinite period expiring no later than 12:00 midnight on December 31, 2014, subject to the following terms: (i) Station's signal appears to the viewer on the channel on which its analog signal was carried prior to the final transition to digital television on June 12, 2009, or another channel on which we mutually agree; (ii) Operator carries the Station's signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by System in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Operator transmits Station's signal in such format or formats as may be necessary to ensure that all programming included in such signal is viewable by all of its subscribers, or deploys set top boxes as necessary to so ensure; (v) Operator passes through all "program related material," as defined below, to all of its subscribers; (vi) System serves subscribers residing in the **Dallas/Fort Worth DMA**; and (vii) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice. For purposes of this letter,

“program related materials” shall include (a) closed-captioning information, (b) program identification codes, (c) program ratings information, (d) such other material as may be essential, necessary or appropriate for the delivery or distribution of the Signal, and (e) information and material of a commercial or non-commercial nature that is directly related to the subject matter of the programs broadcast by the Station or specific commercial advertisements contained in the applicable Station’s broadcast program schedule, if such information or material is transmitted concurrently or substantially concurrently with its associated program content or commercial advertisement; provided, however, that “program related material” shall not include, and Broadcaster shall obtain Operator’s consent before providing, any information or material for which Broadcaster, or any Station receives or seeks a fee from Operator, a System, or any Operator subscriber.

Retransmission Consent

NB: This agreement does not grant Operator the right to carry Station's signal in high definition format. If you are interested in negotiating for consent to carry our signal in both standard definition and high definition formats, please contact us at retransconsent@cbs.com.

Dear General Manager:

This is in regard to retransmission consent to carry the signal of KTVT-DT, FORT WORTH/DALLAS TX ("Station") on a system operated by Wagon Wheels MHP ("Operator") with its headend located at Rock Creek, Texas ("System").

The terms of this agreement should be treated as confidential and should not be disclosed to any third-parties or the public.

Effective January 1, 2012, this letter grants retransmission consent to carry the Station's signal **in a standard definition format only (which may be transmitted to subscribers in either down-converted analog format or standard definition digital format)**, for an indefinite period expiring no later than 12:00 midnight on December 31, 2014, subject to the following terms: (i) Station's signal appears to the viewer on the channel on which its analog signal was carried prior to the final transition to digital television on June 12, 2009, or another channel on which we mutually agree; (ii) Operator carries the Station's signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by System in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Operator transmits Station's signal in such format or formats as may be necessary to ensure that all programming included in such signal is viewable by all of its subscribers, or deploys set top boxes as necessary to so ensure; (v) Operator passes through all "program related material," as defined below, to all of its subscribers; (vi) System serves subscribers residing in the **Dallas/Fort Worth DMA**; and (vii) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice. For purposes of this letter, "program related materials" shall include (a) closed-captioning information, (b) program identification codes, (c) program ratings information, (d) such other material as

may be essential, necessary or appropriate for the delivery or distribution of the Signal, and (e) information and material of a commercial or non-commercial nature that is directly related to the subject matter of the programs broadcast by the Station or specific commercial advertisements contained in the applicable Station's broadcast program schedule, if such information or material is transmitted concurrently or substantially concurrently with its associated program content or commercial advertisement; provided, however, that "program related material" shall not include, and Broadcaster shall obtain Operator's consent before providing, any information or material for which Broadcaster, or any Station receives or seeks a fee from Operator, a System, or any Operator subscriber.

Operator shall down convert the 16:9 high definition image by taking the "center cut" to create a 4:3 standard definition or analog image. Please refer to the illustration below.

This letter does not grant Operator retransmission consent to carry the Station's signal in any high definition or 16:9 format under any circumstances. If you would like to negotiate for consent to carry our signal in both standard definition and high definition format, please contact us at retransconsent@cbs.com.

By accepting this retransmission consent, and carrying Station's signal, Operator (1) agrees to the above terms and (2) acknowledges and agrees that the copyrights to and for the underlying programs and program material are not hereby conveyed, and that it will ensure that its retransmission of all copyrighted material included in Station's signal is appropriately licensed under the copyright laws of the United States, whether under compulsory license pursuant to 17 U.S.C. § 111, or otherwise.

Operator agrees to indemnify and hold harmless CBS Corporation, and its present or past parent and affiliated entities, and their stockholders, officers, directors, employees, and agents from any and all claims, actions, losses, damages, or expenses (including reasonable counsel fees) resulting from its breach of the above warranty.

Sincerely,

Retransmission Consent

NB: This agreement does not grant Operator the right to carry Station's signal in high definition format. If you are interested in negotiating for consent to carry our signal in both standard definition and high definition formats, please contact us at retransconsent@cbs.com.

Dear **General Manager:**

This is in regard to retransmission consent to carry the signal of KTVT-DT, FORT WORTH/DALLAS TX ("Station") on a system operated by TVMAX Telecommunications ("Operator") with its headend located at Highland Park Apartments, Texas ("System").

The terms of this agreement should be treated as confidential and should not be disclosed to any third-parties or the public.

Effective January 1, 2012, this letter grants retransmission consent to carry the Station's signal **in a standard definition format only (which may be transmitted to subscribers in either down-converted analog format or standard definition digital format)**, for an indefinite period expiring no later than 12:00 midnight on December 31, 2014, subject to the following terms: (i) Station's signal appears to the viewer on the channel on which its analog signal was carried prior to the final transition to digital television on June 12, 2009, or another channel on which we mutually agree; (ii) Operator carries the Station's signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by System in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Operator transmits Station's signal in such format or formats as may be necessary to ensure that all programming included in such signal is viewable by all of its subscribers, or deploys set top boxes as necessary to so ensure; (v) Operator passes through all "program related material," as defined below, to all of its subscribers; (vi) System serves subscribers residing in the **Dallas/Fort Worth DMA**; and (vii) such

retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice. For purposes of this letter, "program related materials" shall include (a) closed-captioning information, (b) program identification codes, (c) program ratings information, (d) such other material as may be essential, necessary or appropriate for the delivery or distribution of the Signal, and (e) information and material of a commercial or non-commercial nature that is directly related to the subject matter of the programs broadcast by the Station or specific commercial advertisements contained in the applicable Station's broadcast program schedule, if such information or material is transmitted concurrently or substantially concurrently with its associated program content or commercial advertisement; provided, however, that "program related material" shall not include, and Broadcaster shall obtain Operator's consent before providing, any information or material for which Broadcaster, or any Station receives or seeks a fee from Operator, a System, or any Operator subscriber.

Operator shall down convert the 16:9 high definition image by taking the "center cut" to create a 4:3 standard definition or analog image. Please refer to the illustration below.

This letter does not grant Operator retransmission consent to carry the Station's signal in any high definition or 16:9 format under any circumstances. If you would like to negotiate for consent to carry our signal in both standard definition and high definition format, please contact us at retransconsent@cbs.com.

By accepting this retransmission consent, and carrying Station's signal, Operator (1) agrees to the above terms and (2) acknowledges and agrees that the copyrights to and for the underlying programs and program material are not hereby conveyed, and that it will ensure that its retransmission of all copyrighted material included in Station's signal is appropriately licensed under the copyright laws of the United States, whether under compulsory license pursuant to 17 U.S.C. § 111, or otherwise.

Operator agrees to indemnify and hold harmless CBS Corporation, and its present or past parent and affiliated entities, and their stockholders, officers, directors, employees, and agents from any and all claims, actions, losses, damages, or expenses (including reasonable counsel fees) resulting from its breach of the above warranty.

Sincerely,
